

Below is the new "Chapter VIII. Fees" of the *Mississippi Board of Nursing Rules and Regulations*. These revised regulations become effective Tuesday, April 1, 2008. These will be available on our website and available under Common:Administration:Law and Rules and Regulations.. All Board of Nursing fees were added to the Rules and Regulations as required by state law and should include all fees charged by this Board. Most of the fees remain the same but there were a few revisions that are outlined as follows:

1. The only fee that was abolished effective April 1<sup>st</sup> and will no longer be charged is a \$25.00 administrative fee previously charged to nurses completing the RNP or nurses whose compliance restrictions were removed and they applied for licensure status change.
2. The RN & LPN reinstatement fee has been revised and hopefully more simplified.
3. The APRN fees have been clarified.
4. The mail list fee for nurse practitioners has increased from \$150.00 to \$250.00.
